TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds. $1\frac{1}{2}\%$ per month will be added to all bills delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims. Lots sold to floor bidders are not returnable.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

LOTS 1 - 607

New Jersey Cents :- The following lots represent one collector's attempt to assemble all the types of New Jersey cents as catalogued by Dr. Maris. Many of the scarcer ones are offered here. Numbers referred to are those of Dr. Maris. All are basically the same types, showing a horse's head over a plow with Nova Caesarea (New Jersey) above and the date (1786-88) below. Obverse shows shield of the Colony, E Pluribus Unum about. Varieties have to do with different dies made by different moneyers at different mints, but are all of the same basic coin. Many were struck over coins, some of which were circulated, thus accounting for planchet weaknesses and faults.

	(Estimate)
1787 Type 6C, double shield, usual planchet roughness. Maris gives this Rarity 3 on a scale of six. Very fine. PLATE	(135.00)
1787 Type 6D, very fine.	(45.00)
1786 Type 11H, R3, very good.	(37.50)
1786 Type 12G, VG+.	(15.00)
1786 Type 12 I, R2, VG.	(25.00)
1786 Type 14J, lovely VF, with planchet roughness.	(45.00)

1786 Type 17b, fine but pitted.	(25.00)
1786 Type 17k, R, VG-F.	(40.00)
1786 Type 17J, R, VF with planchet porosity typical of this type.	(90.00)

1786 type 23P, G-VG.	(17.50)
1786 Type 23R, about VF, some undercoin showing, shield typically weak.	(40.00)
1786 Type 24P, VF but roughened planchet.	(45.00)
1786 Type 25S, R2. Very little wear on coin but planchet is extremely rough, and striking quite poor, making it look VG-F.	(50.00)
